

About

Market Rasen is one of the most beautiful venues in the heart of Lincolnshire and we're thrilled to invite you to a day that combines the thrill of racing with the agricultural industry at the heart of our community. Today isn't just about fast horses — it's about bringing together the hardworking people and businesses that drive the backbone of our country.

Whether you're here for the sport, the camaraderie, or just a great day out in the fresh air, this is your day to kick back and enjoy. So, grab a seat, cheer on your favourites, and let's honour the horsepower that fuels both the track and the land!

PRIVATE HOSPITALITY

Elevate your visit with our premier hospitality packages, thoughtfully designed to suit every occasion. Whether you're hosting corporate guests, marking a special celebration, or enjoying quality time with family, we're here to create a memorable experience tailored to you.

Choose between a formal, seated three-course à la carte meal, served by your private host, or a more relaxed Premium Buffet, offering a wide selection of high-quality dishes and the flexibility to dine at your own pace.

All Premier packages include a Champagne reception on arrival for that extra touch of indulgence.

For a more casual option, our Classic Comfort Package features two courses of hearty, buffet-style comfort food—delicious and satisfying, without the formality.

Whichever package you choose, enjoy it with trackside views, the privacy of your own hospitality suite, and access to a private balcony—the perfect setting for an unforgettable day at the races.
